

Safeguarding adults

during the Coronavirus outbreak

Here are some things to think about if you are offered, or need, support during this time.

We want to make sure that the **most vulnerable people are safe** during the current situation.

Use existing and trusted community groups.

If not, could a family member, friend or neighbour who you know and trust help?

Not sure? **Don't answer the door.**

If you're not sure about an offer of help, ask the person to leave details and talk to someone you trust about it.

You can reach the **First Contact Team**

Call **01382 434019** if you need support or you feel unsafe.
In an emergency, call **999**.

If you are worried about a **child**, call **01382 307999**
